## **DHL IT Services Asia Pacific**

RE: Graduate Trainee (GT) - Software Testing

Dear **HR**,

I was motivated to contact you upon learning that DHL IT Services Asia Pacific has an opening for a new Graduate Trainee (GT) - Software Testing. For several years I have focused my career path and academic pursuits on Computer Science & Engineering and completion of Bachelor of Science program with Daffodil International University. As a personal mission, I strive to empower and improve other's outlook and life circumstances.

I believe being genuine and nurturing, along with professional and driven, is an essential combination for people in my field. I possess web development, network administration, and software testing skills. Additionally, my abilities extend to customer service and communication with proficiency in problem-solving. Working with people from diverse backgrounds has provided me with a deep understanding and awareness of differences in both individuals and organizations. These qualities will help to support DHL IT Service's mission while reflecting positively on the professionalism and competencies in its employees.

For further details of my qualifications, background, and contributions, please take a moment to review my enclosed resume. I believe that I can successfully be the Graduate Trainee (GT) - Software Testing you're seeking and I welcome the opportunity to speak with you at your earliest convenience.

Sincerely,

MD. MANIRUL ISLAM
